

SANUSI HABEEBAT M.

MICROBIOLOGIST

About Me

Highly motivated and innovative microbiologist willing to work in an academic environment where the need of the society will be met by training learners to be productive in the field of science experiment and enhancing my knowledge for novel study in the dynamic world of science.

PERSONAL SKILLS

Creativity
Critical Thinking
Risk Assessment
Efficiency
Organization
Decision Making and
Time Management.
Strong listening skills.

PROFESSIONAL SKILLS

MS OFFICE
FIGMA

INTEREST

EXPERIMENTING
RESEARCH
SOCIAL WORK
TRAVELING
MEETING PEOPLE
COOKING
